

NIANGUA BOOSTER CLUB

September 4, 2022

Dear Parents and Friends,

The Niangua Athletic Booster Club has started our membership drive for the 2022-23 school year. We are asking for your support. Your donation will get your name on our membership board, so our community can see that you support our students. Our membership cost is \$25 for a family or \$15 for an individual.

We have a few new projects for this year. We have some Kansas City Chiefs memorabilia to raffle off throughout the year. We would really like to help with the little league basketball and baseball to get them back on track this year. Last summer, with help we sponsored four little league teams that played at Lebanon and Fordland. A big Thank You goes out to those who helped support these kids

Some of the Booster Club's responsibilities throughout the year are: the athletic banquet at the end of the year, little league baseball in the spring, and the concession stand during baseball and softball games. We could sure use all the help we can get during these times.

Thank you for your consideration and your support of the Niangua RV School district and our athletic programs. If you would like to be a member return the bottom portion to the office in an envelope marked Booster Club.

Thank you,

Charity Stuber

Please return by October 15, 2022

Individual \$15

Family \$25

How you would like your name to appear on the board?
